

Sporting Services – 2007 Liberalization Measures

1. What liberalisation measures are offered in respect of sporting services under the Mainland and Hong Kong Closer Economic Partnership Arrangement (CEPA)?

According to the Supplement IV to the CEPA, with the exception of the construction of golf venues, Hong Kong service suppliers are allowed to set up wholly-owned enterprises in the Mainland to provide services in relation to the promotion and organisation of sports activities, as well as the operation of sports facilities.
