Production Notification for Cut-and-Sewn Garments

Enquiry on Classification of Cut-and-Sewn Garments

For the purpose of lodging Production Notification, I should be grateful for the Department's advice as to whether the following garment is classifiable as a cut-and-sewn garment. A sample of the finished garment, one photograph each of the front and back views of the garment, as well as samples of the parts/component parts of the garment are attached.

(i)	Full description of the garment (i.e. gender, fibre content, construction and garment type)	
(ii)	Article no. of the garment	
(iii)	Market intended to be exported to	The USA / The EU*
