Production Notification for Cut-and-Sewn Garments

Enquiry on Permissible Limits for Cut-and-Sewn Garments to the USA/the EU*

For the purpose of lodging Production Notification, I should be grateful for the Department's advice as to whether the manufacturing process(es) indicated in item (iv) below is/are permissible to be done outside Hong Kong without affecting the Hong Kong origin status of the cut-and-sewn garment specified below. A sample of the finished garment, a set of the parts/component parts of the garment, and a set of photographs showing the front and back views of the finished garment and its parts/component parts are attached.

(i)	Full description of the garment (i.e. gender, fibre content, construction and garment type)	
(ii)	Article No. of the garment	
(iii)	Category No. of the garment	
(iv)	Manufacturing process(es) intended to be done outside Hong Kong
