ANNEX 10-1

GEORGIA'S
SCHEDULE OF RESERVATIONS

Sector:	Fishing
Sub-sector:	-
Legal source or authority of the measure:	Resolution #138 of the Government of Georgia (August 11, 2005) on “Approval of Regulations on Rules and Conditions on Issuance of Fishing License”
Succinct description of the measure:	Fishing license can be granted only to the resident juridical or natural persons of Georgia.
Purpose or motivation of the measure:	Fisheries policy considerations.

Sector:	Agriculture
Sub-sector:	Agricultural Cooperation
Legal source or authority of the measure:	Law of Georgia on “Agricultural Cooperative” (July 12, 2013)
Succinct description of the measure:	A member of an agricultural cooperative may be an 18-year or older citizen of Georgia and/or agricultural cooperative registered in Georgia, which directly participates in agricultural activities carried out by the cooperative and owns membership share. The citizen of foreign country and/or other legal entity of private law (including legal entities registered in foreign country) has a right to be an associated member of the agricultural cooperative, provided they have contributed membership fee, based on this law or decision of cooperative members’ assembly. The associated member may participate in an assembly, but he/she has only the right of deliberative vote. The associated member has the right to receive dividends from the contributed membership fee; He/she can be elected as the member of the supervisory board or executive council. The associated member may not be directly involved in agricultural activities carried out by the agricultural cooperative.
Purpose or motivation of the measure:	Agricultural cooperation policy considerations.

Sector:	Agriculture
Sub-sector:	Purchasing of a state owned agricultural land
Legal source or authority of the measure:	Law of Georgia on “State Property” (July 21, 2010)
Succinct description of the measure:	A state owned agricultural land can be purchased by the citizen of Georgia or a private legal entity, registered in Georgia. Georgia reserves the right to maintain or amend the measure or adopt any other measure with respect to agricultural land.
Purpose or motivation of the measure:	Land policy considerations.

Sector:	Power and Energy
Sub-sector:	-
Legal source or authority of the measure:	Not applicable
Succinct description of the measure:	Georgia reserves the right to maintain or adopt any measure with respect to the power and energy sector.
Purpose or motivation of the measure:	Energy policy considerations.
