| 47. | 6.9.2012 | Crystalline Silicon Photovoltaic Modules and Key Components (i.e. Cells) | 53.4% (except for a number of companies with individual duty rates from 27.3% to 64.9%) (6.12.2013) | <ul style="list-style-type: none"> - Partial interim review was initiated on 5.5.2015. Consequent to the investigation, the partial interim review was terminated on 8.1.2016. - Consequent to a circumvention investigation, AD duty has been extended with effect from 13.2.2016 to imports consigned from Malaysia and Chinese Taipei, regardless of whether they are declared as originating in these economies or not. - Expiry review and another partial interim review were initiated on 5.12.2015. |
| 48. | 28.2.2013 | Solar Glass | 67.1% (except for a number of companies with individual duty rates from 17.5% to 75.4%) (15.8.2015) | Consequent to a reinvestigation, the AD measure was modified with effect from 15.8.2015. |
| 49. | 26.6.2014 | Stainless Steel Cold-rolled Flat Products | 25.3% (except for a number of companies with individual duty rates from 24.4% to 25.3%) (28.8.2015) | - |
| 50. | 14.8.2014 | Grain-oriented Flat-rolled Products of Silicon-electrical Steel | 36.6% (except for two companies whose individual duty rates are 21.5% and 36.6%). (31.10.2015) | - |
| 51. | 4.9.2014 | Acesulfame Potassium | EUR 4.58 per kg net product weight (except for a number of companies with individual duty rates from EUR 2.64 to EUR 4.58 per kg net product weight) (1.11.2015) | - |

(B) Cases under Investigation (eight cases, three of which with provisional AD duties in force)

| | <u>Date of Initiation of Investigation</u> | <u>Product</u> | <u>Remarks</u> |
|----|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| 1. | 30.4.2015 | High Fatigue Performance Steel Concrete Reinforcement Bars | Provisional AD duty of 13% (except for two companies with individual duty rate of 9.2%) was imposed on 30.1.2016. |
| 2. | 14.5.2015 | Certain Cold-rolled Flat Steel Products | Provisional AD duty of 16% (except for a number of companies with individual duty rates from 13.8% to 14.5%) was imposed on 13.2.2016. |
| 3. | 30.5.2015 | Aspartame | Provisional AD duty of 59.4% (except for a number of companies with individual duty rates from 55.4% to 59.4%) was imposed on 27.2.2016. |
| 4. | 14.8.2015 | Certain Ceramic Foam Filters | - |
| 5. | 29.10.2015 | Certain Stainless Steel Tube and Pipe Butt-welding Fittings | - |
| 6. | 13.2.2016 | Certain Hot-rolled Flat Products of Iron, Non-alloy or Other Alloy Steel | - |
| 7. | 13.2.2016 | Certain Heavy Plate of Non-alloy or Other Alloy Steel | - |
| 8. | 13.2.2016 | Certain Seamless Pipes and Tubes of Iron (other than cast iron) or Steel (other than stainless steel), of circular cross section, of an external diameter exceeding 406.4 mm | - |

II. Countervailing Measures

(A) Cases in Force (five cases)

| | <u>Date of Initiation of Investigation</u> | <u>Product</u> | <u>Rate of Duty (Date of Imposition of Current Duty)</u> | <u>Remarks</u> |
|----|--------------------------------------------|--------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. | 17.4.2010 | Coated Fine Paper | 12% (except for a number of companies with individual duty rates ranging from 4% to 12%) (15.5.2011) | Expiry review was initiated on 13.5.2016. |
| 2. | 22.2.2012 | Certain Organic Coated Steel Products | 44.7% (except for a number of companies with individual duty rates ranging from 13.7% to 29.7%) (16.3.2013) | - |
| 3. | 8.11.2012 | Crystalline Silicon Photovoltaic Modules and Key Components (i.e. Cells) | 11.5% (except for a number of companies with individual duty rates ranging from 0.0% to 11.5%) (6.12.2013) | <ul style="list-style-type: none"> - Partial interim review was initiated on 5.5.2015. Consequent to the investigation, the partial interim review was terminated on 8.1.2016. - Consequent to a circumvention investigation, countervailing duty has been extended with effect from 13.2.2016 to imports consigned from Malaysia and Chinese Taipei, regardless of whether they are declared as originating in these economies or not. Expiry review and another partial interim review were initiated on 5.12.2015. |
| 4. | 27.4.2013 | Solar Glass | 17.1% (except for a number of companies with individual duty rates ranging from 3.2% to 17.1%) (15.5.2014) | - |
