With the signing of the CEPA Supplement VIII, the scope of raw materials and component parts has been expanded to include those originated from the Mainland to accumulate in the calculation of the value-added content since 1 April 2012. Details of the requirements for including values of the raw materials and component parts of Mainland origin have been set out in Certificate of Origin Circular No. 2/2012 which can be downloaded from TID's CEPA website (http://www.tid.gov.hk/english/aboutus/tradecircular/all_in_one/2012/as012012.html).
