(1) A dispute between an investor of one Contracting Party and the other Contracting Party concerning an investment of the former in the area of the latter which has not been settled amicably, shall, after a period of three months from written notification of the claim, be submitted to such procedures for settlement as

may be agreed between the parties to the dispute. If no such procedures have been agreed within that three month period, the dispute shall at the request of the investor concerned be submitted to arbitration under the Arbitration Rules of the United Nations Commission on International Trade Law as then in force. The parties to the dispute may agree in writing to modify those Rules.

(2) Paragraph (1) of this Article shall not be construed so as to prevent investors of either Contracting Party from submitting the dispute to the competent courts of the Contracting Party in whose area the investment is made. In the event that an investor has submitted the dispute to a competent court within the area of the other Contracting Party, the same dispute shall not be submitted to arbitration referred to in paragraph (1) of this Article.

(3) The arbitral award shall be final and binding on the parties to the dispute and shall be enforced in accordance with relevant domestic law.

ARTICLE 9

Disputes between the Contracting Parties

(1) If any dispute arises between the Contracting Parties relating to the interpretation or application of this Agreement, the Contracting Parties shall, as far as possible, settle it by negotiation.

(2) If the Contracting Parties fail to reach a settlement of the dispute within six months, it may be referred by them to such person or body as they may agree on or, at the request of either Contracting Party, be submitted for decision to a tribunal of three arbitrators which shall be constituted in the following manner :

- (b) if within the time limits specified above any appointment has not been made, either Contracting Party may request the President of the International Court of Justice, in a personal and individual capacity, to make the necessary appointment within thirty days. If the President considers that he is a national of a State which cannot be regarded as neutral in relation to the dispute or is otherwise unable to discharge this function, the Vice-President or the next most senior Member who is not disqualified on those grounds shall make the appointment.

(3) Except as hereinafter provided in this Article or as otherwise agreed by the Contracting Parties, the tribunal shall determine the limits of its jurisdiction and establish its own procedure. The Arbitral Tribunal shall reach its decision by a majority of votes. At the direction of the Tribunal, or at the request of either of the Contracting Parties, a conference to determine the precise issues to be arbitrated and the specific procedures to be followed shall be held not later than thirty days after the Tribunal is fully constituted.

(4) Except as otherwise agreed by the Contracting Parties or prescribed by the Tribunal, each Contracting Party shall submit a memorandum within forty five days after the Tribunal is fully constituted. Replies shall be due sixty days later. The Tribunal shall hold a hearing at the request of either Contracting Party, or at its discretion, within thirty days after replies are due.

(5) The Tribunal shall attempt to give a written decision within thirty days after completion of the hearing or, if no hearing is held, after the date both replies are submitted. The decision shall be taken by a majority vote.

(6) The Contracting Parties may submit requests for clarification of the decision within fifteen days after it is received and such clarification shall be issued within fifteen days of such request.

(7) The decision of the Tribunal shall be final and binding on the Contracting Parties.

(8) Each Contracting Party shall bear the costs of the arbitrator appointed by it. The other costs of the Tribunal shall be shared equally by the Contracting Parties including any expenses incurred by the President, Vice-President, or Member of the International Court of Justice in implementing the procedures in paragraph (2)(b) of this Article. The Tribunal may make a different decision regarding the sharing of the costs.

(9) The Tribunal shall reach its decision in accordance with the provisions of this Agreement.

ARTICLE 10

Subrogation

(1) If one Contracting Party or its designated Agency makes a payment to its investor under an indemnity, guarantee or contract of insurance given in respect of an investment in the area of the other Contracting Party, the latter Contracting Party shall recognise :

(a) the assignment to the former Contracting Party or its designated

Agency by law or by legal transaction of all the rights and claims of the indemnified investor; and

- (b) that the former Contracting Party or its designated Agency is entitled to exercise such rights and enforce such claims by virtue of subrogation, to the same extent as that investor.

(2) The former Contracting Party or its designated Agency shall be entitled in all circumstances to the same treatment in respect of the rights and claims acquired by it by virtue of the assignment and any payments received in pursuance of those rights and claims as the indemnified investor was entitled to receive by virtue of this Agreement in respect of the investment concerned.

(3) Any payments received by the former Contracting Party or its designated Agency in pursuance of the rights and claims acquired shall be freely convertible. Such payments shall also be freely available to the former Contracting Party for the purpose of meeting any expenditure incurred in the area of the latter Contracting Party.

(2) Each Contracting Party shall, subject to its laws and regulations, grant temporary entry and stay to natural persons employed from abroad as executives, managers, specialists or technical personnel in connection with an investment by an investor of the other Contracting Party who are essential to the enterprise. Favourable consideration should also be given to granting temporary entry and stay to members of their families (spouse and minor children) for the same period as the persons employed.

ARTICLE 12

Transparency

(1) Each Contracting Party shall promptly publish, or otherwise make publicly available, its laws, regulations, procedures and judicial decisions of general application as well as international agreements regarding investments of investors of one Contracting Party in the area of the other Contracting Party.

(2) Nothing in this Agreement shall require a Contracting Party to furnish or allow access to any confidential or proprietary information, including information concerning particular investors or investments, the disclosure of which would impede law enforcement or be contrary to its laws protecting confidentiality or prejudice legitimate commercial interests of particular investors.

ARTICLE 13

Application of the Agreement

This Agreement shall apply to investments by investors of one Contracting Party in the area of the other Contracting Party, whether made before or after the entry into force of this Agreement.

ARTICLE 14

Application of Other Rules

(1) This Agreement shall not prevent investors of one Contracting Party from taking advantage of any law of the other Contracting Party or any other obligations between the Contracting Parties which are applicable to the investors and their investments and are more favourable than the provisions of this Agreement.

(2) Each Contracting Party shall observe any other obligation it may have entered into with regard to investments of investors of the other Contracting Party.

ARTICLE 15

Entry into Force

This Agreement shall enter into force on the thirtieth day after the date on which the Contracting Parties have notified each other in writing that their respective requirements for the entry into force of this Agreement have been complied with.

ARTICLE 16

Duration and Termination

(1) This Agreement shall remain in force for a period of fifteen years and shall thereafter remain in force indefinitely, unless terminated in accordance with paragraph (2) of this Article.

(2) Either Contracting Party may terminate this Agreement at any time after it

has been in force for fifteen years by giving one year's written notice to the other Contracting Party.

(3) In respect of investments made prior to the date of termination of this Agreement, the provisions of Articles 1 to 14 shall remain in force for a further period of fifteen years from that date.
