

Entries invited for 2021-22 Hong Kong Awards for Industries Monday, May 17, 2021

The 2021-22 Hong Kong Awards for Industries (HKAI) is open for entries from today (May 17). Hong Kong companies in the manufacturing and services sectors are invited to join. The closing date is August 6.

Supported by the Government, the HKAI aims to recognise the outstanding achievements of Hong Kong enterprises in pursuit of high technology and high value-added activities, and to commend excellence in various aspects of their performance. The HKAI also helps to enhance the competitiveness of Hong Kong industries and promote Hong Kong brands.

The 2021-22 HKAI comprises six categories, each run by an Organiser:

Category	Organiser
Consumer Product Design	Federation of Hong Kong Industries
Equipment and Machinery Design	The Chinese Manufacturers' Association of Hong Kong
Customer Service	Hong Kong Retail Management Association
Innovation and Creativity	Hong Kong General Chamber of Commerce
Technological Achievement	Hong Kong Science and Technology Parks Corporation
Upgrading and Transformation	Hong Kong Young Industrialists Council

Adjudication in each award category will be carried out by a preliminary judging panel arranged by the relevant Organiser. A final judging panel will be convened to decide the winners. One grand award will be presented to the most outstanding entry in each category. Other deserving entries will be presented with an award or a certificate of merit. All award winners are entitled to display the official logo of the HKAI and receive the HKAI trophy or certificate as a permanent memento of their achievement.

The awards presentation ceremony will be held in March 2022 at the Grand Hall of the Hong Kong Science Park.

Entry forms and brochures are now available from the respective Organisers. They can also be downloaded from the HKAI website at www.hkindustryaward.org.

The HKAI was launched in 2005 by merging the former Hong Kong Awards for Industry and the former Hong Kong Awards for Services, established in 1989 and 1997 respectively. Over the years, the HKAI has recognised and commended the excellent performance of about 1,160 companies.
